We will stay glued to our chairs with our eyes gazing at 10:27 p.m. - Lady caller the ole tube until all the parades and bowl games are over -or until we get carried off in a straight jacket to the hospital. I noticed in one of the daily papers Sunday that Elba is well represented at the Cotton Bowl. . . . not counting those who bought tickets and drove out there. I took a glance at Alabama's traveling squad the other day and was right proud to see the names of three players from Elba High. Russ Wood, Johnny Dyess and Don Horstead are all on the 82-man squad -- and that ain't bad! Im not much of a fisherman; however, I had a talk with the games." new manager of the county lake Monday and got the itch to go fishing just walking around and listening to him talk. Forrest Dean, an ole country boy from Lowndes County, is the new manager and he is going to have a top notch operation, and a fully-equipped bait and tackle shop. He promised he'd be selling the best hot dogs around and enough snacks to fill up even an all-day fisherman. He wouldn't guarantee I'd catch any fish, but he did hint if I didn't it wouldn't be his fault, Ronny Shiver and go fishing real soon. Who knows - I might even catch something.

I've just about run out of things to write about, but before partment's boys' basketball I go I'll foolishly make a few predictions on some bowl games: league will start in two NETS
